SEEKS, CAPTURES AND

**inactivates
indoor
pathogens.**

CHANGE IS IN THE AIR.

Greentech 750+ mobile
Purification for Transportation

We measure success in microns.

Providing continuous air purification, this mountable unit is perfect for vehicles.

What's in the Plus?

Only Greentech has the filters with the plus. Our MERV-rated pleated filters treated with ODOGard® coating traps and inactivates pathogens and allergens. ODOGard instantly bonds to odor molecules and changes their molecular structure, completely clearing rooms of odors in under 10 minutes.

Benefits of Greentech's 750+ Mobile

Continuous Purification

Reduces Odors

Mounts to Save Space

Sized for Multiple Locations

Wide List of Applications

Air Purification for Transportation

Providing continuous air purification, this permanently mounted unit is perfect for spaces without HVAC duct access. Greentech's 750+ Mobile features the same active air purification technology developed and used by NASA.

Our MERV+ filters have an ODOGard® coating that eliminates odors at the molecular level, making it impossible for the odor to survive. Even the toughest, seemingly permanent odors don't stand a chance against ODOGard.

Proprietary photocatalytic oxidation (PCO) technology uses energy to activate a catalyst, turning moisture into products that continuously clean your space.

Bipolar Ionization creates a plasma of electrical charges which removes allergens and other pathogens from the breathing space.

Features and Specifications

UNIT

- Dimensions: 10.25" H x 7.75" W x 3.00" D
- Metric: 260mm H x 197mm W x 76.2mm D
- Weight: 2.8lbs (1.27kg)
- Materials: Powder Coated Aluminum
- Warranty: 2 Year Manufacturer's Warranty

PERFORMANCE

- Airflow: 70 CFM
- Ozone Output (optional): < 0.05 ppm
- Coverage: 750 ft²

POWER

- Supply Power: 9-36VDC | 15W
- Operating Voltage: 24VDC | 0.56A

TECHNOLOGIES

- PCO: Photocatalytic Oxidation
- ODOGard® Coated MERV+ Filter
- Bipolar Ionization Module (BPI)
- Activated Oxygen (Ozone) - Optional

To Use This Product Correctly

- 1 Read All Instructions Carefully in User Manual Before Operating Purifier.
